## 講道大綱 Sermon Outlines:

**Sermon title:** Celebrating God's Goodness      **Scripture:** Nehemiah 12:1-47

The walls were rebuilt and finished way back in chapter six. Yet Nehemiah did not call for celebration because the finishing of the hardware is but the beginning of rebuilding God's people. Nehemiah worked hard on bringing people back to living according to God's word, i.e. to keep His law in their daily life rather than simply in their religious life in the temple. Finally, it is time to celebrate. Nehemiah made it a great celebration in the form of worship — meaning not just to celebrate what the people has achieved but what God has done for His people when they obey His commandment. It was done in such a grandiose procession and worship that all the people should remember it for a long time. In this chapter, Nehemiah started with inventory of human resources; then a dedication in celebration, and the restoration of Worship services.
